AAO NATIONAL PRESIDENT CAPTAIN MATT ARNOLD

Greetings fellow warriors, members of the auxiliary, family, and friends of the association. I hope that this newsletter finds you and your loved ones well. It is hard to believe that another convention is in the books. Thank you to all who traveled from near and far to attend this year's event. The total attendance exceeded my expectations and, even though we were missing some of our normal attendees, it was enjoyable to see all who did attend. The COVID-19 pandemic did have an impact on our festivities, but we persevered and, in my humble opinion, conducted another successful function. It continues to be my honor to work with each one of you to grow this association. I urge each one of you to look for ways to increase the impact of this organization on our profession and our community. We must rely on our members, with the guidance and assistance of our elected leaders, to chart the course we will navigate. The success of this association requires that we work together in order to achieve the best effect.

First, I would like to offer my personal congratulations to the Lieutenant John W. Finn Ordnancemen of the Year selectee, AO1 (AW/SW) Eric Winters and Runner-Up, AO1(AW/SW) Chase Thomson. Congratulations also goes out to our newest AAO Hall of Honor Inductees, CDR(Ret.) Mike Gramolini and CWO3(Ret.) Barry Stemler. To the new national officers, I offer my congratulations on your election and installation and my thanks for your willingness to serve this organization. I would also like to express the appreciation of the association to the former officers for providing the guidance necessary to keep this organization operating smartly and

effectively for many years. To the national officers who continue to serve I offer my personal thank you for your performance of the work required to support the association. Finally I would like to express the appreciation of the association to the local chapter officers and members who work diligently to advance the purposes of this association.

Finally, I would like to offer my sincere appreciation to all of the members who selflessly worked to plan and support the execution of another successful annual convention. The success of this endeavor rests squarely upon the shoulders of a small number of our members who perform a lion's share of the work. They perform this work for very little recognition and even less reward. I will not individually recognize these members, as I am sure I would forget one or two, so I will just offer my thanks for all you do to support this event.

In closing I wish you and yours Fair Winds and Following Seas. Please keep our Sailors, Marines and civilian employees, wherever they are stationed or deployed, in your thoughts and prayers. Please continue to support this organization and the purposes to which it is dedicated. I look forward to the great works that this association will perform in the future.

IYAOYAS,

Matt

AAO NATIONAL VICE-PRESIDENT AOCS(RET) TIM ZIMMER

Ahoy maties!

I hope this edition finds you all happy and healthy. I know everyone is entitled to their personal opinions and beliefs, but, look at the science, not Facebook, 'nuff said.

Being able to host the Convention this year was so much more exciting than any previous year, by far. Having been in condition Zebra for damn near an entire year really made those of us that attended appreciate the comradery that much more. Even though we had to go back to masks Friday (state of Nevada), we did not let that diminish our good time. As usual, Kirk Brado was on top of everything from the get go so we were able to enjoy ourselves without a care in the world. Krik Bardo, I salute you! We held elections for Treasurer and (2) Board of Director positions this year. Congratulations to Todd Pendleton, our new National Treasurer! Yes, you have a steep learning curve but I have no doubt you will pick it up in no time. Tom Lord, I can't express enough gratitude for your 10 years of service as our Treasurer. You kept this machine rolling and made sure we never wanted for anything. Jeff Sassone was re-elected to another term as a Board of Director. Jeff, your professional acumen and tutelage are immeasurable and I sincerely appreciate your, now, 10 years on the BOD. Last, but certainly not least, Al Dean was elected to the BOD. Al has held many other offices in the past and his knowledge and insight will be a welcome addition. Laura Colby, thank you for your service on the Board of Directors. Even though you were "out of pocket" for most of your last term, you always maintained contact and stayed involved. BZ.

Congratulations to this year's John W Finn Aviation Ordnanceman of the Year, AO1 (AW/SW) Eric Winters from USS Dwight D Eisenhower (CVN 69), and Runner Up, AO1 (AW/SW) Chase Thompson from USS Nimitz (CVN 68). Outstanding performers that will be in khakis very, very soon, no doubt about it. Also, during the convention, we added (2) members to the Aviation Ordnance Hall of Fame. Welcome to the ranks CDR Mike Gramolini, USN (Ret) and CWO3 Barry Stemler, USN (Ret). Absolutely well deserved. Lastly, Rick Garza and his Scholarship Committee awarded Erica Crews, James Besaw, Monye Morgan, Miriam Barba, Sydney Robinson, Jessica Hoag and Dominique Ambers with scholarships. Congratulations to you all!

One unfortunate bit of news is that we had to send letters to Chapters LHD 7 USS Iwo Jima, 11 Kaneohe Bay, 35 Eglin, 39 Beaufort, 72 USS Abraham Lincoln and 671 Guam warning them that we will have to begin disestablishment procedures if they do not contact us with updated reports. We have already heard from a couple of them and hope that they will be able to keep their Chapters alive. If you are in any of these Chapters or know someone that is, please get the word out that they are in danger of losing their Chapter status. Any Association Officer can be contacted for assistance (emails are in this edition as well as on the website).

IYAOYAS

AAO NATIONAL SECRETARY
AOCM(RET) JJ LAMAITRE

Greetings Ordies – Had a good Convention in Reno this year, numbers were better than expected seeing we lost 2020 Convention due to COVID. Was a busy week and a lot of business was done for your Association. The General Business Minutes are elsewhere in this edition of the Red Shirt.

A BIG THANKS to Tom Lord for the past 10 years as Treasurer, always there, not bashful in telling people NO, and provided sage advice to the Officers and membership as Treasurer. A ‘Welcome Aboard’ to our new Treasurer Todd Pendleton, he will be an asset to the Association and has a big learning curve to get through. Please be patient. Also ‘Welcome Aboard’ to the BOD for Al Dean and continuing on the BOD with Jeff Sassone being reelected. Thanks Jeff for your continuing service.

Start NOW making plans for Convention 2022 to be held at the Silver Legacy (The Row), Reno, NV from 21 July thru 24 July 2022. Chapters need to contact Kirk (POC info in the Red Shirt) to set up tables to sell merchandise. We will be at the Silver Legacy through 2024. If you would like to have an alternative place or location starting in 2025, contact the Formal Convention Committee Chairman Kirk Brado. Keep in mind a lot of factors go into the decision including (but not limited to) meeting spaces, room rates, ease of transportation to and from the airport, and costs associated with those items and more. In other words, ‘Best Bang for the Buck’ for the membership.

Chapter Officers – We are now coming out of COVID restrictions. You have seen my comments in the last several Red Shirts. Chapter Reports have gotten better HOWEVER the rubber has met the road. I have sent out warning letters for de-activation for six Chapters as directed by the BOD at Convention. I need Chapter Reports submitted to me to me on a regular basis. Do NOT put your Chapter into an ‘Inactive’ status. Please forward the minutes, etc. to nationalaaosec@gmail.com

Have a safe Holiday Season, hope to see some of you in Laughlin at the Aquarius on January 13th – 16th for the Convention Planning Meeting over the Martin Luther King weekend, a good time for all. See the info elsewhere in this Red Shirt and Web Site for more details.

It has been a Privilege and Honor to serve as your Secretary for the past 7+ years. If there is anything I can do to assist just give me a shout. Look forward to see and meet some of you all in Laughlin.

If you have any questions, concerns, or if I can assist you or your Chapter, just ASK. IYAOYAS!

R,
JJ LaMaitre
AAO Secretary

**AAO NATIONAL TREASURER
(OUT-GOING)**

AOCM(RET) TOM LORD

This year, like last year, was again disappointing with the returns of the Financial Statements.

Whether you have a representative at the convention, or not, you must submit your Annual Financial Statements, along with your chapter scholarship donations. These are part of our tax filing requirements and we cannot submit an accurate tax report without all the information.

I'm still seeing notifications of the death of Ordies on Facebook. I cannot use that as an official notice to include then in the Taps section of the Red Shirt. I will need some sort of formal notification if I am to use it. An email with the pertinent will do.

The last two years have been a hard one for the Chapters, as well as the National, when it comes to recruiting. Not only has recruiting been down but, renewals have been down as well. Kudos to those chapters that continue to push memberships.

For those of you that haven't heard, this will be my last input to the Red Shirt. As soon as we can arrange it, I am turning over the Treasurer's position to CWO4 Todd Pendleton USN Ret. Knowing Todd as long as I have, I have no doubt he will do a superb job.

For all you Ordies out there, this has been one of the most rewarding experiences I have had the pleasure doing. In the ten years I have been doing this job, I got to see a lot of you grow from young, deck-plate sailors to the leaders of our ordnance community. Keep up the good work, I know our Navy is in good hands.

Have you had a promotion, change of status (recently retired) or phone number change? If

so give me a shout at the contact info below so I can update your record.

Address changes are still a problem. I need your changes as soon as you know you are moving. The mailing costs associated with Red Shirt returns are getting out of hand. I try my best to make sure those entitled to a Red Shirt get it. But when I don't have an updated address, I have to pay the post office for its return. That said, in the future, when I get a Renewal Notice or Red Shirt returned to me, I am removing that person from the Red Shirt list until I have a current mailing address. If you see someone's name on the locator list, let them know. Sign up to get yours electronically!!! All you have to do is go to the web site, and download the Red Shirt. If you move or have a PCS coming up, get those address changes to me prior to the move. You can make them via the web site, via snail mail; or (preferred) you can e-mail them to the new treasurer at nationalaaotreas@gmail.com. Chapter officers, division LPO's, shipmates, if you know a member is transferring, talk to them about submitting an address change. If you see somebody you know on the Locator, it means I don't have their current mailing address and can't send them update materials. If you know their e-mail address, drop them a line to get in touch with me.

FYI the US Postal Service has an on-line Change of Address section, see it at www.usps.com.

**AAO NATIONAL TREASURER
(NEWLY ELECTED)
CWO4(RET) TODD PENDLETON**

Hello all Ordies. I wanted to introduce myself as your new National Treasurer. I'm looking forward to representing all the Ordnancemen and woman out there doing the hard work to protect us all. I have a big job learning all that is required to keep the AAO on track, but I have a great mentor in Tom Lord and all our current Officer's. We're working on our turn-over now and should be complete by the next Red Shirt issue or the end of the year, we'll see how it goes.

The 2021 Convention was a great success. If you are able, try to plan on attending the 2022 events, you will have a great time. I look forward to meeting all of you. We will get the registration information out as soon as possible for the 2022 Convention.

For the Chapters, keep up the good job you've been doing recruiting. You are the tip of the spear for keeping the Association strong. Keep us informed on your Chapter meeting minutes, required reports and Red Shirt inputs.

Have you had a promotion, change of status (recently retired) or phone number change? If so give me a shout at the contact info below so I can update your record.

Got together with Air Forces Gun Boss Captain Matt Arnold and reviewed the PEO Integrated Warfare Systems (IWS) presentation AN/SPY-6(V)2/3 Enterprise Air Surveillance Radar Electromagnetic Environment (EME) Impacts to CVN 79. Of note is that the brief included the path to HERO compliance on CVN-79 which included a review of over 700 ordnance item where it was determined that 22 items would require HERO requalification for the EASR environment. It has been determined that the AIM-9M-8, AIM9M-10, and CATM-9M-27 would be HERO susceptible in the EASR environment require a HERO condition to be set during launch and recovery.

Working to have a formal presentation for next year. Please forward to Jeff or Gun Boss anything you want to see in the brief.

CHAPTER ONE

Greetings from Chapter One Lemoore, CA, “Fleets Most Lethal”

SFWSPAC would like to give a shout out to VFA-86 who recently completed and successfully passed their Conventional Weapons Technical Proficiency Inspection. Awesome Job Sidewinders!

Adopt a Highway is back up and running, with a new location. We have successfully completed two highway cleanups. Chapter One showed up stacked and took over our section on HWY 198. Shout out to AO1 Petri for setting all of this up!

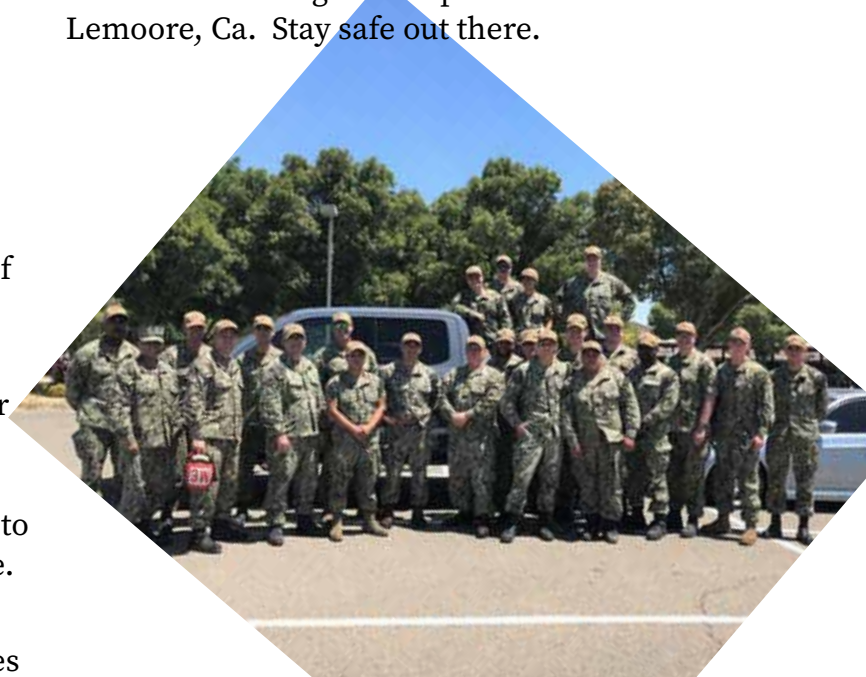

We would like to congratulate AO2 (AW) Ambrileen Lee from VFA-94 for being the winner of our first annual “Sponsor a Shit Hot Sailor.” This year we asked NAS Lemoore’s leadership to nominate a sailor that deserved to be sponsored to go to the Convention and Represent Chapter One. Congratulations AO2, well deserved!!

On August 20th, 2021; NAS Lemoore Ordies Gathered at the Fleet Reserve to say farewell to AOCS Lopez and his family as they start a new Journey in Texas. Thank you AOCS Lopez for all the dedication, guidance and support you gave this flight line during your time here. You will be missed.

During our annual Summer Picnic which took place August 28th, 2021; Lemoore Ordies gathered together, to eat, bond and hangout. Shout out to AO2 Hickox for grilling all the food in 102 degree weather!!

And last but not least, I would like to congratulate Tiffany Wheat as our Chapter One George Segars Scholarship winner this year.

It’s been a good couple of months here in Lemoore, Ca. Stay safe out there.

CHAPTER FOUR

CHAPTER FIVE

This past year was a difficult year for Chapter 5. COVID-19 took our chapter membership from an all-time high and prevented us from having a meeting for over a year. During the “lockdown” we lost our President, Secretary, and Treasurer as they transferred out to other commands.

AOC Casey Wheelock vacated the Vice President office after being elected as Chapter 5 President. At our July 23rd 2021 meeting we elected a new Vice President (AO2 Rudy Ortiz), Secretary (AO3 Isaac Herzog) and Treasurer (AO3 Javion Turner).

With the support of our current active-duty Sailors, and the large number of retired/prior service members, Chapter 5 hopes to return to having 20-30 members at monthly meetings.

We will continue our Adopt-A-Road FOD walk downs four to five times a year and continue to participate in our local Ridgcrest community functions volunteering to help when able.

We had four active-duty Sailors from VX-9 join us in Reno for the 2021 AAO Convention and they had a wonderful experience manning the Chapter 5 Table and attending the Friday night social and Saturday night awards banquet.

CHAPTER EIGHT

AAO Chapter 8 Red Shirt Inputs for May - Aug 21

Greetings from Chapter 8, San Diego, "The Chapter Where It All Started." Since May 2021 our Chapter has finally been authorized to resume in-person meetings. Although everything has basically returned too normal there is always the possibility we could once again go into COVID lockdown. Only time will tell.

In May we held our second quarterly Adopt A Highway Walk with 16 volunteers showing up. What did not happen this year in May was our annual Chapter 8 Family Picnic. Due to the uncertainty of COVID lockdowns we opted to cancel our picnic but instead will have a family dinner with a raffle in November. The raffle will consist of a John Finn portrait (that hung in John's home), \$200 second prize and a \$100 third prize. Tickets are on sale through AOCM(Ret) Diane Mcqueen-Gipson until first week of November.

On Monday, 31 May, 11 AAO Chapter 8 members and guests paid tribute to John Finn's graves-site. Afterword's we went to the Golden Acorn Casino for lunch.

At our June meeting, Christopher Geschwender was voted in as our Vice President and Barry Stemler was voted in for his fourth term as our Secretary/Treasurer. Also in June, the Chapter donated five boxes of Taste of Home items to the USS EISENHOWER Ordies in support of the AAAO Taste of Home program. A big thank you to Carolyn Thomas for coordinating this event.

In July we received a generous \$2,926 donation from the family of AOCS (Deceased) Jason P. May to be used for our annual AOCS Jason P. May Holiday Hand-up. This donation will help us provide \$100 gift certificates for up to 30 AO families in need.

Also in July, the Chapter was well represented at the AAO Convention at Reno, NV. During the Saturday AAO General Meeting, President Michael Sheppard provided a summary of Chapter events for the past year. The Chapter

also donated \$250 to the Robert L. Crow Scholarship and for the fourth year, \$2,000 to the LCDR James E. Thompson Memorial Scholarship.

In August we held our third quarterly Adopt A Highway Walk with nine volunteers showing up.

Special congratulations go out to the following AAO Chapter 8 members:

- Barry Stemler for being selected to the AAO Hall of Fame.
- Christopher Geschwender for selection to AO1
- AO1 Christopher Geschwender for being elected as the new AAO Chapter 8 Vice President
- Barry Stemler for being re-elected for his 4th term as AAO Chapter 8's Secretary/ Treasurer

Until next time, keep it safe out there and IYAOYAS!!!

CHAPTER NINE

Greetings from Chapter Nine, thriving since 1984, even while COVID-19 continues to rage.

We thought the worst was behind us and meetings were returning to normal, now the world is under siege again. The good news is none of our members have been sick so far. I hope everyone out there stays healthy as well.

AO1 James Simmons was elected President for the upcoming year and also selected as our AO of the Quarter. AO2 Kevin Scott will serve as Vice-President. Congratulations to you both, you have big shoes to fill. Also, “kudos” to AO1 Eric Winters; AO of the Year and to runner-up AO1 Chase Thomas, you both make us all proud.

Even in these austere times while attendance has been hampered when active duty AO’s were restricted from big gatherings, Chapter 9 was able to keep our annual goals to fully fund scholarships and to continue with our quarterly highway clean-ups.

In closing, a Donna Sommer disco song “I will survive” comes to mind, and we will. Stay safe and healthy. Think about and do your part to protect those you love and others who are more vulnerable. Remember to pray for and be proud of our Nation and pray for our leaders.

IYAOYAS

CHAPTER ELEVEN

Greeting from Chapter 11 Kaneohe Bay, HI.

We hope that all of our fellow Ordies have been maintaining through these confusing times of COVID. Over here in Hawaii we opened up for a little bit and now are in the midst of closing back down due to the rising cases. However through all of this over here in Kaneohe Bay our Ordies have been putting in work! Most recently completing our ESI and knocking it out of the park so special shout out to MALS-24 and all of the squadrons

here on base for staying ready.

Additionally we would like to bid, “Farewell and Following Seas” to AO1 ALEXANDRIA WILLIAMS who is the reason why Chapter 11 exists here today. We appreciate everything that you have put into this Association. Best of luck AO1! On that note we hope everyone is staying safe and healthy. IYAOYAS

Very Respectfully,

AO1 (AW/SW)

Wilson Leiva

Chapter 11 President

CHAPTER TWENTY TWO

What’s up ordie nation? Chapter 22 is

doing fine and we hope all are safe and healthy. It was awesome to get back to meeting in person for our monthly meeting starting in May. Although it was not at our normal venue, it was still great and very much needed. We are back to holding our meetings at the VFW. We held our first annual wing cook off and AO1 Vassie Bingham came out the winner. Seemed fitting since she hosted the meeting at her campsite. So many thanks to her for the hospitality. We completed our second highway clean up for the year and turnout was superb. It is great to see all the ordies come together here in PAX and make things happen.

Since things were returning to some normalcy, we were able to have our summer picnic at Solomon’s campgrounds. Good fun and plenty of food were had by all. As usual, we kicked off our annual gun raffle making it six years straight, which will allow us to continue to support the AAO National scholarship. Sorry you have to live in Maryland to participate.

CHAPTER TWENTY TWO (CONT'D)

We also have a new Vice President so congratulations to AO3 Symone Gay. The Chapter would like to thank the outgoing VP AO1 Albert Bennett for a job well done during the past two years. The Chapter will miss all you do, good luck in your future endeavors. Lastly our Christmas party is planned for December 11th at the

Wildewood clubhouse so if you are in PAX swing by. As usual if you are visiting and want to know if we have any events going on or just want to know a good place to eat use the Redshirt and contact any of our Officers/BOD. Peace out brothers and sisters. IYAOYAS!

CHAPTER THIRTY FOUR

Greetings from Chapter 34 in Pensacola, Florida! After taking a brief halt from being able to PT the students due to COVID-19, we are back and just in time for the upcoming PFA cycle. As restrictions are being lifted, students as well as instructors, are now able to participate in volunteer opportunities. Chapter 34 hosts a weekly Barrancas Beach Cleanup every Saturday morning, depending on the weather. Chapter 34 is also now able to host chapter meetings at the O’Riley’s Irish Pub in downtown Pensacola on the first Wednesday of every month. While COVID restrictions were being lifted, NATTC was able to announce a softball league. Chapter 34 was able to assemble our own team with a majority of the instructors. Chapter 34, fittingly, announced the team’s name as ‘Warheads’. We made a pretty deep run during the season, but eventually lost in the second round of the playoffs. We couldn’t be prouder of our team and the bond we made with each other during the season.

We recently retired our DLCPO here at the schoolhouse, AOCM(AW/SW) Steven M. Holliday.

He stood the watch for 28 years. He assumed duties as the Mechanical Training Department

Leading Petty Officer at NATTC, Pensacola, Florida in March of 2019. His retirement ceremony, which concluded his illustrious career was held on 17 August, 2021. It was truly a beautiful ceremony and it was a privilege to be a part of it. We wish him nothing but fair winds and following seas!

Stay safe out there in the fleet and IYAOYAS!

CHAPTER SEVENTY FIVE

We completed our Shipboard Explosive Safety Inspection, Aviation Ordnance Readiness Review and our Aircraft Maintenance Inspection with ZERO major discrepancies!

We are currently preparing for our Mine Readiness Assessment, INSURV, COMPTUEX and our upcoming deployment. We are staying busy showing everyone what it means when we say IYAOYAS. Stay safe and keep giving 'em Hell!

CHAPTER SEVENTY EIGHT

Chapter 78 makes an appearance at Chapter 4's General Assembly meeting!

CVN 78 makes history being the first Ford Class Aircraft carrier to complete all 3 Full Ship Shock Trial events.
