"THE FORTIETH YEAR"

Association

A COMMEMORATION

26 May 1981

Association of Aviation Ordnancemen
729 Buddlawn Way
Campbell, California 95008

Dear Mr. Robbins:

We are seeking assistance in contacting those veterans who were in the Hawaiian and Philippine Islands during the Japanese attack on 7 December 1941 and those who were subsequently deployed to the South and Southwest Pacific areas to pursue the war to ultimate victory.

Our only purpose is to make available information about a reunion to be held in Hawaii commemorating the 40th anniversary of the attack. This is not a commercial venture or a prelude to forming yet another veterans or service oriented organization. We believe the present organizations more than fulfill the various needs and requirements of their members.

The assistance we seek from you, and would appreciate very much, is a favorable mention in any newsletter or other publication that you may distribute to your membership. If by any chance any of your members would care to join in the commemoration they will be most welcome - they may join in Hawaii or if they prefer we can make arrangements for lodging and travel. Full information will be sent to those requesting it, using the mailing address as shown.

We sincerely appreciate any assistance you may be able to give us.

Aloha,

A handwritten signature in cursive script that reads "Charles J. Burns".
