## LIFETIME MEMBERSHIP

Over the past few years several members have inquired about the possibility of establishing a Lifetime Membership Program. The initiation of such a program was approved at the 1982 Convention.

Elsewhere in this newsletter you will find instructions and an application for Life Membership. In addition to a life membership card a certificate suitable for framing shall be issued. All applications and checks should be mailed to The Association of Aviation Ordnancemen c/o Thomas D. Robins Sec./Tres. at 729 Buddlawn Way in Campbell, Ca. 95008.

## 1983 SCHOLARSHIP AWARDS

It is not too early for you or your dependent to submit an application for consideration of a 1983 Scholarship Award. Applications and all related correspondence must be received by the Association Secretary by 15 June 1983. I leave for RENO on the 16th.

Applications may be obtained by requesting same from:

The Association of Aviation Ordnancemen

## ESTABLISHMENT OF CHAPTERS

At the 1981 Convention, the attending members voted to revise the By-laws of the Association to permit the establishment of chapters. Article IX of the Association By-laws delineates the requirements and procedures required. You AO's out there in the fleet or at some remote Air Station, get your crew together, form a chapter and have a voice in the administration of The Association of Aviation Ordnancemen.

If you need a copy of the By-laws - drop the Secretary a note.

At the 1981 and 1982 Conventions several members requested that the Association issue a certificate of membership suitable for framing. Well - the Board of Directors has approved funds for this suggestion and they will be in the mail very soon. The certificate will only be issued to those members whose dues are paid up to date. So those of you who are behind in your dues, get them in. Support your organization.
