CONVENTION 82 - GET THOSE RESERVATIONS IN NOW!!!!

FROM THE CONVENTION COMMITTEE

It is now time for all of you AO's to rally around and support your organization. The 7th Annual Convention, being held in San Diego this year, is just around the corner and you should be there to participate and enjoy. This is going to be the BEST Convention yet! Room rates @ \$24.00 per person, double occupancy, have been negotiated with one of the most modern motels in San Diego. The location on the San Diego Bay, close to the airport and all that San Diego has to offer, is the best. The banquet promises to be a real highlight. The Navy Band will play for our dance and we have a dynamic Naval Officer current in the Navy Systems today, who has promised us an entertaining, enlightening, thought provoking presentation. The dinner - a sit down prime rib banquet that you'll never forget! All that and San Diego too!!!! COME AND ENJOY - COME AND SUPPORT YOUR AO ASSOCIATION

CONVENTION 82 - GET THOSE RESERVATIONS IN NOW!!!!

In the last issue of the Newsletter, we had 2 problems with the 800 number. First, the Editor goofed in proofreading. The correct number is 800-255-3050. Second, everyone who answers the phone at the 800 number will not know the correct room rate and they may not know about our Convention. Be sure to ask for the "Group Rate Desk" and specify "The Aviation Ordnancemen Convention." The correct rate of \$48.00 per double room will be charged and we will all be in the same block of rooms.

As of last week, Tom ROBINS had only received 33 confirmed dinner reservations. More of you than that will be there so don't wait until the last minute. Get those forms filled out and mailed to Tom. We need the numbers for planning purposes--the chef has to buy that prime rib!

AOCS RUPPERT has been working on getting some T-shirts and hats made for the Convention. They are sharp looking and the price is affordable. The shirts will be about \$6.50 and the hats about \$4.00, depending on the quantity and the style we order.

Welcome home USS CONSTELLATION and its Air Group. We hope to see your Ordnancemen at the Convention!!!!

We are hoping to have a good turnout of the F-18 Ordnance Community for the Convention as they have a meeting in San Diego prior to the Convention weekend.

FROM THE SCHOLARSHIP COMMITTEE

The Scholarship Committee has some good news and some bad news.

First, the good news. We have two scholarships that are to be awarded at the Convention to two lucky applicants IAW AO Constitution and By-laws.

Now, for the bad news. You have not publicized and/or encouraged eligible applicants to apply for the scholarships, AND we may not be able to award them. While it is not a lot of money, it will buy a semester's books or take the strain out of payment of part of the tuition or whatever. There are no strings attached to the award. The requirements for the eligibility are in the Constitution By-laws. The last day to apply is the first day of the Convention. That's the best we can do. What's the best you can do? Help us get some really deserving applicants for the awards.

CONVENTION 82 - GET THOSE RESERVATIONS IN NOW!!!!

FROM THE EDITOR

It has been a good two years but it is now time for some new ideas and a fresh outlook. We need a volunteer for Editor. The format and present procedures for printing the Newsletter will be available. Copies of all the past issues of the Newsletter will be passed on to you for ideas and reference. Any assistance we can give you to get you off to a good start will be gladly given.

I wish to thank Tom ROBINS for his outstanding support. There has never been a delay on his part with the dollars for printing, stamps, envelopes, etc. He has given us items for every edition of the Newsletter in a timely fashion. He is a real professional and I know the new Editor can count on the same support from him.
